Title:

Jürgen Stetten

Description (EN):

Jürgen Stetten works as Deputy Head of Human Resources at the Friedrich Ebert Foundation. After more than 25 years of professional experience with a focus on digitalization, globalization, Asia and China, he is still driven by curiosity about the changes in his working world. He is currently working on the topics of agility, new work and mobile working. Stetten is a quadriplegic and therefore dependent on a wheelchair and has an assistant to support him at work. He often holds meetings in the afternoon while lying down, because that relaxes his muscles.
